This is a decision on the Petition and Request to Issue a Corrected Patent, filed November 22, 2005. The delay in treating this petition is regretted.

The petition is **dismissed**.

Applicant files the instant petition requesting this Office issue a corrected Patent in order to correct the name of the assignee, and to correct spelling errors in the claims.

Applicant is advised that these are not the type of corrections requiring republication of a corrected patent. In this instance, a certificate of correction is the appropriate remedy.

The file is being referred to the Files Repository.

Telephone inquiries concerning this matter should be directed to the undersigned at (571) 272-3232.
